OSA 2899-64  
22 June 1964

MEMORANDUM FOR: Deputy for Field Activities, OSA  
SUBJECT: Commander's Report, Det. 5, 28 Apr.-28 May 64  
REFERENCE: OXC 7094, Commander's Report

The Communication Division's comment on the Commander's Report is:

1. Phone in the Signal Center should either be located outside room preferably or else equipped with jack plug disconnect and ringer assembly device.

2. "Old" kleinschmidt teletype gear should be returned to base commo technicians. We're in dark regarding [REDACTED] crated equipment. Please identify contents and any remarks [REDACTED] personnel may have made regarding its disposition.

3. Alternators for the vehicles have been shipped. However, it's our understanding that VHF equipment to be procured or leased by Detachment from Base Contractor. Advise if your understanding conflicts.
